Mission

Shape the future of the Internet by creating unprecedented value and opportunity for our customers, employees, investors, and ecosystem partners.

Vision

Changing the Way We Work, Live, Play, and Learn

Valeurs

Change the World

We're committed to technology innovation that connects us all. Our pride in community inspires us to give our time, knowledge, and solutions to create positive experiences that make the world a better place.

Focus Intensely on Customers

We make customers' challenges our own. We listen to where they want to go and help transform their business. We value in-depth customer relationships and deliver superior quality solutions.

Make Innovation Happen

We anticipate market transitions and chart a path of innovation leadership. We create relevant, meaningful solutions. We have the courage to take informed risks, simplify the complex, and pursue excellence.

Win Together

We work smart and collaborate effectively across teams to do extraordinary things. We're passionate about ensuring customers' and partners' success and generating profitable growth for shareholders.

Respect and Care for Each Other

We work, grow, learn, and have fun together. We support and trust one another through change. We inspire each other, celebrate diversity of thought, encourage openness, and reward for team results.

Always Do the Right Thing

We're honest and straightforward in all our actions. We earn the trust and confidence of others. We say what needs to be said and hold ourselves accountable.
