BEDRIJFSOMSCHRIJVING

Activiteitssector: Technology sector

Bedrijfsspecialisatie: proUnity is an HR technology provider.

Korte historische achtergrond van de onderneming: proUnity is a HR Technology provider established in 2015. proUnity is located in Brussels and founded by 3 industry experts, David Muyldermans, Cristian Ciuperca en Nicolas Dardenne. In 2017 Securex and 2 Venture Capitalists, SRIB and SeederFund joined as shareholder and invested 1.000.000 euro in the proUnity. Our ambition is to become in the coming 10 years the reference for the search and management of external workforce.

Zakencijfer: 1.500.000 € (2017)

Personeel : 6,5 FTE in Belgium – We have an IT Team of 6 people based in Romania

Directiecomité: Chief Executive Officer: David Muyldermans

Missie: We enable companies to hire & manage their external workforce in a more cost-efficient way by offering them the right tools.

Visie: The work ecosystem is changing at top speed across the world. Enterprises are looking for more flexibility and Flex workers are the fastest growing group in the EU labour market.

We believe that the recruitment market is ready for a change (and desperately looking for it). Thanks to the digitizing of the HR and purchase processes, all freelancers and service providers and ambitious corporate buyers can join forces, working together as dynamic entrepreneurs.

We make it easy and pleasant for everyone to do their job.

Waarden: Transparency – Honesty – Innovation – Respect
